DZE

*Brilliant white, radiating five-colored light, handsome and
smiling,*

ZHAY-DZUM CHEN-GYIS DRO-LA ZIG-PA-
NYID

CHEN-RE-ZIG-LA CHAG-TSHAL-LO

To you, Chenrezig, I pay homage and bow. (3x)

ཨོཾ་མ་ཎི་པ་དྲེ་ཏུ་

*OM MANI PADME HUM — recited continuously, lights
radiating to purify all six realms*

**DAG-DANG ZHEN-GYI LÜ-SNANG CHEN-
RE-ZIG**

By this merit, may I quickly

CHEN-RE-ZIG-WANG DRUB-GYUR-NAS

Accomplish the state of Chenrezig,

DRO-WA CHIG-KYANG MA-LÜ-PA

And establish every single living being,

DE-YI SA-LA GÖ-PAR-SHOG

Without exception, in that same enlightened state.

THE HONEST NOTE

Compassion, and the guru. Chenrezig is the peaceful form; Mahakala is the same compassion, turned fierce — the protector who refuses to let harm pass. The Karmapa is the guru who holds the lineage between them. One compassion, two faces, and the guru who carries it. The sadhana is the practice; the protector is the vow. For the benefit of all beings.

ཇོ་མ་རི་པ་ལྷོ་རྒྱུ་ — *the jewel is in the lotus.*
